## **INTEGRATED QUALITY, ENVIRONMENT AND FOOD SAFETY POLICY**

EVESA is a company located in La Línea de La Concepción (Cádiz), it is registered in the General Registry Food Sanitary for activities:

- Key 31. Manufacture and/or preparation and/or transformation and/or packaging of colorants, flavors (except smoke flavors), sweeteners and additives other than colorants and sweeteners. 31.00351/CA
- Key 21. Storage of fresh vegetables or fruits or mushrooms. Importation of dried, dried and dehydrated plant products. 21.23885/CA
- Key 24. Manufacturing and/or Preparation and/or Transformation and Packaging of Condiments and Spices. 24.01383/CA
- Key 39. Importation and Storage of Materials and Objects Intended to Come into Contact with Food. 39.007527/CA

And it begins with new Storage and Distribution activity of:

- a) Dried, dried and dehydrated products of plant origin.
- b) Colorants, sweeteners, aromas and additives.
- c) Condiments and Spices

It seeks to guarantee food safety through the implementation of a Food Safety Management System based on the UNE-EN-ISO 22000:2018, ISO/TS 22002-1:2009 standard and additional requirements FSSC 22000 ( version 5.1), as well as the final satisfaction of its clients, maintaining a Quality Management System.

For all this, it bases its commitment to food safety and quality in the products offered through this policy, with the support of measurable objectives, based on the following principles:

- THE CORRECT DEVELOPMENT OF THE IMPLEMENTATION OF THE MANAGEMENT SYSTEM IS THE RESPONSIBILITY OF EVERYONE AND IT HAS THE SUPPORT AND COMMITMENT OF THE MANAGEMENT
- THE QUALITY OF THE SERVICE PROVIDED IS DEVELOPED AS PART OF OUR EXPECTATIONS OF ECONOMIC GROWTH
- THE IMPROVEMENT IN OUR SERVICE PROVISION THROUGH AN IMPROVEMENT IN RESOURCES, BOTH HUMANS AS MATERIALS
- THE POLICY IS IN COMPLIANCE WITH THE LEGAL REQUIREMENTS FOR HEALTH, ENVIRONMENT, OCCUPATIONAL RISK PREVENTION, FOOD SAFETY, ACCORDING TO THE APPLICABLE STANDARD AND WITH THE REQUIREMENTS AGREED WITH CUSTOMERS REGARDING SAFETY AND QUALITY.
- THE ENVIRONMENTAL ASPECTS ASSOCIATED WITH ALL THE ACTIVITIES DEVELOPED ARE IDENTIFIED BY ADOPTING MEASURES FOR THE PROTECTION OF THE ENVIRONMENT, THE PREVENTION OF POLLUTION AND THE CORRECT MANAGEMENT OF THE WASTE GENERATED.
- THE LOYALTY OF OUR CUSTOMERS IS ACHIEVED THROUGH A HIGH DEGREE OF SATISFACTION OF THE SAME
- THE POLICY IS COMMUNICATED TO ALL INTERESTED PARTIES
- THE POLICY IS APPROPRIATE TO THE ACTIVITY OF THE COMPANY AND IS REVIEWED PERIODICALLY IN ORDER TO OBTAIN CONTINUOUS IMPROVEMENT IN THE COMPANY.

Thus, it is the responsibility of Management and the entire company to correctly comply with these guidelines and their implementation.
